Mr. George Schade, Mayor
Soldier Summit
Utah

Dear Mayor Schade:

On Tuesday, October 18, 1977, The Division of Traffic and Safety of the Utah Department of Transportation, conducted a surveillance to establish an 85th percentile speed profile through the Community of Soldier Summit.

During the day, two independent samples were taken: one sample indicated that the 85th percentile was 52 mph, and the other sample indicated that the 85th percentile was 57 mph. Because the 85th percentile averages out at 55 mph, it is the decision of the Traffic & Safety Division-UDOT to change the speed limit in this area from 40 mph to 55 mph. This change will become effective at 10:00 o'clock a.m., October 27, 1977.

Respectfully,

UTAH DEPARTMENT OF TRANSPORTATION
